

Jodi Moon - Bethany United Church Pianist and Choir Director

My name is Jodi Moon. My husband is Andrew, we have one son Christopher and we share our home with our pets Chloe, Crosley and Tucker. Besides playing piano, I'm a Graphic Designer. My family is originally from Warton, Ontario and each summer we continue to return to our family cottage on Lake Huron.

I grew up in Enniskillen and many years ago I took on the responsibility of Music Director. After leading a youth choir I was asked to step up, as the organist had announced his well deserved retirement.

I've enjoyed my ministry there and when we moved to Pontypool six years ago, music lead me into the church. Shortly after, my path lead me to Bethany and playing with the Lions' Den.

My training is through the Royal Conservatory of Music. I also play clarinet and am learning to play drums. My grandfather and father were both musical, and so while growing up it was never unusual to hear a piano, pump organ, trumpet, trombone, flute or French horn being played. I'm beginning my 16th year singing with the Durham Philharmonic Choir and I teach private lessons. I write music and have a small recording studio at home. My father passed away just a few years ago but on Sunday mornings I always feel his spirit, and so I keep a small light on the piano in his honour.

I look forward to getting to know everyone in Bethany and hope you'll not be hesitant to come up and say hi. Please don't worry if I forget a name or two. I learn faces long before names but you'll still be important to me. I'm not terribly outgoing but I'm rarely in a bad mood so by all means get me talking! Although I'm quiet on the outside, inside it's very noisy. I constantly hear music - different beats, songs, styles... I'm eager to try a variety of music this year and I hope I have some enthusiastic singers who are willing to come out and give choir a try!
